Tips for Grass Seeding

Ask for Red Hen Turf Farm's "Tips for Planting Grass Seed" ... Just a few of the topics covered are:

- ⇒ **TIMING is Important!** Seedings will tend to be less successful if you seed outside of the times of year that Mother Nature is most cooperative. The best time to seed a SUNNY AREA in our Region is typically August 15 to September 15. Second best time is a WINTER DORMANT SEEDING in mid-December (but as late as February or so). EARLY SPRING is the third best time. Late Spring and Summer Seedings are not typically very successful.
- ⇒ **METHOD OF SEEDING makes a big difference**
- ⇒ **STARTER FERTILIZER is a key element.**
- ⇒ **Purdue's Turfgrass Science Publications are EXCELLENT RESOURCES for HOME LAWNS.** Check out: turf.purdue.edu/homeowner-publications

RED HEN'S SALES TERMS, CONDITIONS & GUARANTEE: Prices subject to change without notice. **SOD IS CUT-TO-ORDER & CANNOT BE RETURNED. ALL SOD SALES ARE FINAL.** Sod is guaranteed to be in good growing condition at the time of sale; after that, it is your responsibility. If sod is not watered properly, it will not grow. ISSUES? Call in the first 24 hours of receiving Sod for expert assistance. Ongoing Technical Support available at no cost. Preferred Buying Status is available to our Qualified Customers, but may be revoked for allowing others to purchase in your name. Sales Tax Applicable without a Fully Executed & Recent Indiana Form ST-105 Tax Exempt form on record. We do accept returns on Red Hen's custom pallets and tubes in re-usable condition, however, Pallet Credits are only applicable for pre-approved Qualified Customers. We cannot guarantee our ability to supply due to limited inventory and/or weather-related limitations. Non-Sod products are returnable within 30 days of purchase, but may be subject to 20% Restocking Fee. \$30.00 charge on Returned / NSF checks. Payment options: Cash, Check, Credit Card
